(1) The following are the important amendments:--

(1) Amendment to Rule 10--Renewal of Promissory Notes is required in the following cases:--

(a) If the interest on the note has remained undrawn for ten years or more

(b) If the interest cages on the reverse of the note have been completely filled.

(2) Amendment to Rule 13(2)--The revised rule dispenses with the production of an Indemnity Bond for the issue of a Duplicate note in place of the note lost, stolen or destroyed, apparently for the reason that the period of limitation is 6 years (Vide Section 17 of the Regulation) and indemnity bond is not necessary for issue of a Duplicate note after six years

2) The other amendments are minor ones. All the amendments may be approved, as it is desirable that our rules should closely follow the Government of India Rules, particularly when there are several holders of our Securities in British India.

2) The draft amendments have to be published in the Gazette in the first instance. Draft Notification is submitted for approval.
